

Jimmy Herbert Hatfield

February 18, 1954 - June 1, 2024

Jimmy Herbert Hatfield, 70 years old, of Newport, TN, peacefully entered into the Kingdom of God on June 1, 2024, while holding his wife, Christy's hand. Jimmy was a retired coal miner who loved his hometown of Pigeon Creek, WV and talked about memories of his childhood with anyone who would listen. He was a kind man who loved others and would help anyone in need. Jimmy recently gave his life to God and rested in the assurance that he would be welcomed into the arms of His loving Savior Jesus when he made his transition.

Jimmy "Herb" was preceded in death by his mother, Edna Hatfield; father, Jim Hatfield; son Travas Shane Hatfield; brother Edward Lee Hatfield; sister Sandra Bedics; and sister-in-law, Dolores Hatfield.

He is survived by his wife, Christy Hatfield, who was his caregiver and never left his side. The love they shared was their own special love story. He referred to her as "the love of my life, that's why I made you my wife". He is also survived by stepson Joshua Adams, Jacksonville, FL; brother Richard "Dick" Hatfield, Galax, VA; brother David Wendell Hatfield, Hernando, FL; and a host of nieces and nephews that he loved dearly. He is also survived by a host of other family and friends.

Herb loved his little dog Smokey, who kept him laughing every day. He loved Blizzards from the Dairy Queen, going for ice cream, and riding his side by side.

A celebration of his life is being planned in the near future.

Christy would like to thank all the staff of Smoky Mountain Hospice, the staff of Rural Medical Services, and Manes Funeral Home for being there in their time of need.

Family and friends may sign the guest register online at: www.manesfuneralhome.com.

“ My condolences for all those that knew poppy. He and I were neighbors in Galax for years. He showed my family and children so much understanding and compassion. He loved the kids. I am in utter shock to learn online of his passing. I would love to know how I could visit his memorial site. The conversations we have had all these years I know for sure in his last days he wasn't himself. But I know now he is resting ever so peacefully with his son and wife laughing about all the misadventures of life. Go rest high poppy you are and will be missed. My heart goes out to his daughter and granddaughters he loved so so much. Cheers to all the laughs and talk we have had my brother my friend.

“ I am Herbie’s cousin, Rachel, and I’m so sorry to hear about this. We all grew up together on Pigeon Creek and always were close in our younger years. I spent so much time at their house since we always lived close by. I left WV in 1989 and now live in NC. My love and prayers are with all his family. I will have you in my thoughts during this time.

“ Always thought the world of Herbie! He was a dear friend of our family including his father Jim and Edna Hatfield. Herby used to literally drive the wheels of of that old dirt car and we'd patch it back together for next weekend with his son Travis. Him and my uncle Stevie were close and we all worked for them!! Good people that left GREAT MEMORIES with me that I'll ALWAYS CHERISH!!

“ Uncle Herbie was always very special to me and my brothers. He took a sincere interest in us and was always kind. In his obit where it mentions he loved Dairy Queen, he used to take us there when we were in West Virginia. He always made people feel special and my memory is that it was always that way with him, even near the end, he was always thinking about family. Till we meet again, love J.D. Hatfield
