

## Jody Lynn Futrzynski

July 28, 1985 - October 11, 2019

Jody Lynn Futrzynski, age 34, loving dog mom to her sweetie pie Jax, was greeted at the gates of Heaven on Friday, October 11, 2019 by her grandparents Joe and Athen Lee and John and Jennie Futrzynski, and all her favorite aunts and uncles after a two year battle with breast cancer. Her life will be remembered and honored by her parents Tom and Jody Futrzynski, sisters and brothers-in-law Jaime and Dave Slaton and Jennie and John Walker, and her nieces and nephews Joshua, Maria, Caleb, Fayth, Zayden, and Liam. Jody lived in Morristown, Tennessee the last two years, but her heart was still in Cleveland where she was born and raised. She loved books, astrology, taking naps, and playing Scattergories. She had a new passion for holistic healing and wanted to share it with others. Jody was a girl of many nicknames. To her family she was DoeDoe Bird. To her friends she was Yody, Chade, Judge Judy, or just Judge, but no matter what the name, she was loved and she loved us. Her life was not perfect and she encountered many bumps in the road. Sometimes she succeeded, sometimes she failed, but she tried the best she could. Jody marched to the beat of her own drum, amongst her crazy comments and complaints, which were many. There were jokes, sarcasm, and lots of laughter. So raise your glasses to the sky and toast to the girl who made us all laugh. There will be tears for what we will miss, but let us celebrate the person Jody was and relish in the joy she brought to our lives. A memorial service will be held at a later date. The family wishes to express their gratitude for all the love, support, and prayers throughout this journey.

“ *I did not know Jody personally, but I feel like I did due to her having the same birthday and year as my son and I also lived in Morristown for 7 years. Her smile tells me she was a sweet soul. Please accept my condolences and may your families find peace and comfort.*

“ *Dear Jody, Tom, Jamie, Jennie and all your families,  
We don't know why, we cannot understand, at all, but He asks us to  
trust and believe in His plan. This world is but a fleeting dot,  
compared to His glorious heaven for ever. You will see her again.  
Love you all, and in my prayers everyday. So sorry for your loss.

“ *I was fortunate enough to spend over 10 years with Jody. Jody was  
the hardest working woman I knew. She would set a goal and do  
whatever she had to do to pass it. If someone said it couldn't be  
done she would prove them wrong. She was a great Mama to Yoda.  
And Yoda loved his mama Joey. Cody was so beautiful oh, that  
smile and her laughter could light up a room! She's loved by so  
many and deeply missed now!*

“ I was fortunate enough to spend roughly 10 years with Jody. Many amazing memories! You are such a good Mama to Yoda ! She was the hardest working woman I ever met. She would set a goal and do whatever she had to do to pass it. If someone said it couldn't be done she would prove them wrong. She was so beautiful! That smile and her laughter can brighten a room. I'm fortunate for the time we had together and the happy memories. You were loved Imany and now missed deeply

“ I would like to share my last most memorable experience of my daughter Jody, although we had many. From Friday night dinners out, to trips to Knoxville or Pigeon Forge and Gatlinburg, or lazy afternoons on the lake. This particular day we went to Pigeon Forge to relieve some anxiety. We enjoyed the area shops and sights and experienced a very quick and winding ride down a mountain in a coaster. Probably not a good idea on my part for stress relief but she did it. Afterwards, we enjoyed dinner at a local eatery, maybe a bit to much. During dinner we laughed so hard we had tears in our eyes and it was almost impossible to eat. At one point she tried to hide under the table and we laughed even harder. Jody had a great sense of humor and for that and much, much more, I will truly miss you. This is one memory I will hold close to my heart. Life will never be the same without you and you will remain in my heart forever . Your pain is over and I wish you Gods speed to your new beginnings. Till you hold my hand once more... I love you. Dad

*My Daddy and I had the best relationship. I thought I would die when he did. My thoughts and prayers are with you as I think of my precious daddy. Then I think of my 3 sons, ages 40, 38 & 36 and my heart breaks for you and her mother. It sounds like she was such a wonderful young lady.*
