“ Tracy Aka Cobweb was a great friend for many years. He was so helpful anytime I needed something figured out on one of our computers, or anything else that we were having problems with, he always came to our rescue to see if he could help. He was always there when I needed to talk, he often offered advice about life also. I am heartbroken that my buddy Cobweb 🕸 is gone and I won't get to be aggravated by him, I'm going to miss him so much. Candy/Cobweb 🕸
