“ *I consider myself truly blessed for knowing Jordan. She was a wonderful woman, daughter, wife and mother, with a ready smile and a big heart. Jordan really was such a delight to be around, always ready to help and put a smile on everyone’s faces. This just shows how wonderful her parents are. Jordan’s death is an experience so painful and traumatic that leaves a permanent hole in all our hearts. I want you to know that she is someone that we will always miss, and that Jordan will always be deeply loved. My heart goes out to you all in this most difficult time. Know that you are not alone, and that you can always count on me to be there for you for anything.*
