“ *I have too many memories to share just one. From silly to serious, every one of them, whether he was loving the fact he could and would say what other people just thought or he was letting that tough exterior slip just enough to show he wasn't so big and bad, he was truly one of a kind! Sincerest condolences to his momma, his girls and the rest of his family. 2:18 ole dude, I can hear you teasing your momma and laughing in my head, this is the way I'll always remember you. RIP.*
