“ *I just had my Christmas card returned in the mail today. I decided to look online and found out Joy passed away in October.*

I'm so sorry for your family's loss.

I knew Joy from my stays at the Motel when I'd come visit my Mother in Newport. Joy made me feel welcome and "at home" there - I knew I could go to the office and see her smiling face and hear her stories.

None of you will know me or my family.

I always called myself her friend from Seattle.
