“ I meet Karen at Virco(work) 30 years ago. We became BFF. She is one of my closest friends. I know all she wants for her family is to get saved so they can be together again in Heaven. I was so happy when I found out after moving back to TN that she had accepted the Lord Jesus into her heart & as her savior. The evidence was there. Prayers for my other family as I know how much she meant to everyone, including me. Forever my friend, until I see you again.
