“ What a unique and interesting lady that I met in the 90's while working with the Cocke County Criminal Court system. She was very different from most attorneys, but she was one of the nicest people I've ever met, and I'm glad she passed through my life. I don't think I shall ever forget her. She represented her clients very passionately. I had not seen or heard anything about Kathleen in several years, but I am glad to hear she had good friends here that cared for her and saw to it she was taken care of until her death. RIP Kathleen!
