“ *She was a good neighbor. She would save newspapers for me if I asked & she let my grandkids ride their bikes in her driveway. She was always sweet. Love & miss her. I called her a night owl, she would be up late sometimes when I got home from work. She would just laugh when I would say that.*

“ *Oh, how I love her! We shared a special conversation and oh how we laughed for years about a comment she made. Truly a bright light in this world with her love for Jesus. She will be missed, but I look forward to one day spending eternity with her in the presence of our Lord. Will continue to pray for all of her family and friends.*

“ *Our prayers and thoughts are with the family of Aunt Tilly, an amazing human being whom I was blessed to get to know throughout the years. She always had a bright smile and an amazing memory to share from the last time we had spoken, every time I saw her. (No matter how much time had passed.) This world had her for 97 years, what a wonderful long life, but when losing someone you love, no amount of time is ever enough. A woman of strong faith, shared by her family, Aunt Tilly knew these 97 years were just a mere steppingstone on the path to where she was going.*

*With deepest sympathy and love,
