“ *Oh where do I start...
Kathy was always a sweetheart! We use to play together when we were growing up...she had the whitest hair, beautiful...we shared the same birthday...we use to call each other on our birthday
Kathy had a heart of gold n always a smile on her face...
I know she really loved her mother!
I'm so sorry she had to go thru all this illness n pain
She is in a place now where she'll never have anymore...
I know she was happy to see her husband, parents n brother n other family n friends
O what precious memories...
Prayers for the entire family, I'm so sorry for your loss...I know she was loved dearly
