“ Every time Aunt Kathy crosses my mind, I will think of her giggling when telling a story or having the ability to make you feel special, like there was a private joke only the two of us knew. Condolences to my cousins, their families and the too rapidly dwindling of aunts and uncles of the Rogers clan. I know that table in heaven is getting bigger and I know Mammaw is waiting on all of us. RIP Aunt Kathy, I love you and hope you are at peace. —Missy and Maryem
