

Kenneth Vardaman Calfee

July 24, 1941 - February 28, 2021

Kenneth Vardaman Calfee lost his battle with Covid on Sunday, February 28, 2021. He was a gentle, easy going man who loved God, his family and animals. He was always kind and a friend to all. Kenneth was a member of the CCHS class of '59. He attended ETSU and received his business degree from WSCC. He was a committee member of the USAR/TARNG-Old Timers. He served in Company A 1/109th 30th Armored Division-U.S. Army. He attended FBC Newport where he served as a deacon, taught Sunday school and served on various committees. He was also a member of the Newport Fire Department Civil Service Board and also a member of AmVets. He loved to fish and was an avid history buff. He passed on his love of history to his grandson Jackson Calfee who soaked up all his "Da-dods" military knowledge like a sponge. He was preceded in death by his parents Vardaman Calfee and Mary Ellen Calfee, brother-in-law Robert Denman Pruitt, and step-granddaughter Tori Hoover. He is survived by his wife of 54 years Sandra, son Andy (Jennifer) Calfee of Dandridge, grandson Jackson Calfee, step-great grandson Carson Buie of Dandridge, sister Mary Anne Pruitt of Knoxville, brother-in-law and sister-in-law Wayne and Anne Freeman of Newport, niece Leigh Anne Kickliter (Brett) of Parrottsville, nephews Adam Freeman of Louisville, TN, Col. Mark Pruitt (Tabitha) USAF (retired), and Lance (Mary) Pruitt of Knoxville, and several great-nieces and great-nephews. Graveside Service will be held on Wednesday, March 3, 2021 at 1:00 pm in Union Cemetery. Burial will follow. Guest may come by Manes Funeral Home and

sign the guest register on Tuesday, March 2, 2021 between the hours of 10:00 am and 4:00 pm. In lieu of flowers, please donate to Wounded Warriors or Newport Animal Shelter. “ Mr. Calfee was such a kind man. He always went out of his way to speak and make sure he said hello and made time to catch up on life. He always let me know he was keeping up with me and was proud of my accomplishments with the FD and I took that as a great honor coming from him. To know him was an honor in itself and a privilege. He will be greatly missed. Many prayers of comfort for the family in the days ahead.

“ Sandra, I'm so sorry for your loss of Calfee (thats all I ever called him). I will always cherish the times I had in high school and college with him; hunting, fishing, cruising Jacks, & the Dairy Queen, and roommates at college. When I think of Calfee, one funny thing I remember is one morning we were grouse hunting near Del Rio. About ten o'clock the sun was very bright. We laid down on the side of a ridge to sleep for awhile. We woke up and saw buzzards in the trees just above us. We thought they were about to feast on us. God bless all of your family. “ Our condolences to your family. Kenneth was a wonderful man and good friend of our family. I remember that he and my dad "Bud" Baxter were co-owners in a small aluminum Jon boat. The idea was that if anyone bugged either of them about borrowing that boat, they could say "sorry, no. my partner doesn't allow me to loan it out". That and so many great camping and fishing tales.

“ Sandra, I was shocked and saddened to learn of Kenneth's passing. I have known him since high school days and he has never changed. He was always kind, gentle, friendly and caring. We even worked together in the office at Wood Products. He always made a point to talk anywhere I saw him. He always greeted everybody with a warm smile. He always told me that one day we'd have lunch and talk about the good times over the years but we never did. He will be greatly missed by all who knew him. I pray that God will give you and your family strength and comfort during this most difficult time.

Kenneth was one of the most humble and kind people we've ever known, and his death will leave such a void to all his loved ones, his church and the community. “ He was my only uncle. My first memory of Uncle Kenneth was him in an Army uniform. He was larger than life. When I was older Kenneth took me shooting and taught me about military rifles. My Dad, Robert "Denny" Pruitt, also from Newport served in the Army and in the Guard unit there. My youth included trips to Tellico with Kenneth, Billy Jack and others from Newport. The Newport fellas really knew how to fish, camp and cook. Out of this I developed a love for the outdoors and all things related. The Army ties they had were special to them and that led me to a military career. When I was in training in Texas Kenneth drove out to visit me. He was highly self educated. We went for a drive to some historical sites and he related the details of each event to me before we even read the signs. This military tie ran strong and continued with my own two boys, one in the Air Force and one in the Army. My youngest son, Hunter, is a freshman at West Point. I spoke with Kenneth about visiting West Point because I knew that he would love that, and want to stop at the Patton and McArthur statues and relate details of leadership and of battles fought. So I am deeply sad today that Kenneth won't be able to make that visit with me But I am thankful for the time I did spend with him. So today I salute you Uncle Kenneth, for your life as a Godly man, faithful husband, loving father, ideal uncle, soldier, outdoorsman, deacon and so many other roles your perfected. Your legacy continues and you truly earned the tribute of "Well done, good and faithful servant."
