“ Brother, I haven't been around in a long time, I regret that now! We never know when someone is going to go. I'll remember you and me taking that first ride thru the most beautiful parts of our county.. You were on that damn CR throwing rocks at me everytime I got close to you. Starting at your house, crossing Rocky Top on to Del Rio going thru Wolf Creek thru Cherry Gap coming out at Snowbird tower then thru the 15th back to Rocky Top and home. I feel bad now for all the cars, trucks, houses or whatever that got gravel thrown on them.. I don't know how many miles I put on that old 4 wheeler of Luther's but I know it was a lot! That was our weekend thing for a few years! I want to remember you as you were when we had our little crew, Jonsie, Craig, Jody, Dawn, Kristi, Freshour, Roundman and myself... Those memories will be with me till it's my time bro. RIP and know you'll be remembered! Love ya
