“ Kenny was a well known person. Kenny was so loving and full of kindness. He was by far not hard to love. He drove the bus at Parrottsville and he also drove the Dollywood bus so young kids could go to work and not have to use so much gas. I remember every morning I would go up and rub his soft white head he would always say " what are you doing knuckle head". He was such a sweet guy. Prayers to all family members and all the friends Kenny has made throughout his time driving. You will be missed but at least you are in a better place.
