“ Aunt Kim,
You loved so many, so selflessly. I remember my summers spent with you and the fun memories we made under the water sprinklers, beauty pageants, Mary Kay makeup parties and so much more! You invited me into your home with open arms and treated me as your own. You're now flying among the other angels, just as you are one yourself.

You will be missed by so many, but we are also so thankful you can rest and restore with our amazing father. He will take care of you now, as you have taken care of others through your life.

Love,
Your niece Tiffany💕
