“ Cindy and Ricky I'm so sry to hear abt Kim. She was one of my best friends. In the 20 years that we've been friends, I always had a great time with her. She was always so funny, loving, kind and giving. I hadn't seen her in a while and I regret that. I loved her like a sister. She treated Kayla like she was her own. I will miss her.

“ My Dearest Friend, Im going to miss you so much. Im very selfish..I wanted to keep you here though I know youre in a much better place. I will carry our great memories in my heart forever. You were such a special person. Your kindness and laughter remains with me. All of our long talks and our silliness comforts me in this time. I'm so glad we had that last evening together. You left me with special memories and even though I will always hear your laughter I will miss you dearly. I love you Kim. Ill watch over Ricky for you like we talked about .
