“ *Lane was the most caring loving person that loved his job and people around him. He showed everyone he came in contact with great compassion and love. He trained me for CVIVU and made me feel very welcome to my new unit and had me smiling and laughing every day we worked together that week. Anyone who came in contact with him was smiling regardless what kind of day they had he just lit up the room that way. .. CVICU will miss him a great deal....the last day I seen him we had a code he was the first in the room helping. Even though he had worked another floor that night. after the code he hugged me and said I trained you well. (And he did) I have been a CNA 16 yrs and he taught me a lot that first week I was with him. He was a remarkable young man and I'm very lucky I got to work with him the short time I did (You trained me well) you are missed and loved. By many. #LIVE LIKE LANE#*
