“ We hadn't seen Larry in a long time but we've known him for years from Bridgeport school to him being Bobby's neighbor in Irish Cut. We had double dates with him and Linda in the 1970's. Then in the 80's hanging out with the gang playing cards talking Larry always had the best sense of humor no matter what life threw at him. Years go by raising families working but we will never forget Larry he was a part of our life in a time of our youth. We will miss him and we hope and pray God will comfort you all in the days to come.

“ Larry was the sweetest, funniest guy ever. He made me laugh when no one else could!!! Sadly I lost contact with him when I moved but I will always remember him. May God be with the family during this sad time.
