“ Renee was a beautiful soul. We worked together on Rehab for several years. Talking about her health issues and trying to help her push through working. She loved taking care of her patients. Her Boy's and family was her life. I loved and respected Renee pushing through what seemed to be a hopeless time. RIP my beautiful friend.

“ I'd be here all day writing about my memories of my baby sister. So my favorite is that we are Irish twins and every year she would remind me that for 6 whole days we were the same age-for 55 years we shared this like clock work. Now I don't know what to do with our birthdays from now on! I love you my darling baby Seester!!! I will miss you with every beat of my heart!

“ Uncle Bob and I remember when my father passed away, Bob took the girls to breakfast at Bob Evans in Tarpon Springs, Fla. They all had a good breakfast, and Renee said my belly is full. That was good.. We have never forgotten that.. She was a warrior, and we loved her very much and will miss her. Prayers to all of her family and friends.

“ I had the incredible blessing to work with Renee at NKMC before she retired. I always looked forward to my weekends because I knew she would be there. She gave some of the best hugs ever. She always had such a great attitude and a fighting spirit, with her brightly colored hair. She loved her kids and her grandbabies, she was so proud of them and all of their achievements. I'm praying for her family, for them to find comfort and peace in each other.
