“ Sandra, I am so sorry for your loss. Even though it was 21 years ago, I remember when Tina first came to work for us in 2001. She was one of the first people I trained in orientation and I remember how sweet and smart she was, and how much I enjoyed spending those hours & days with her. You have been so blessed to have her as a daughter and she was so blessed to have you as her mother. May God give you comfort and peace.  
With Love, Janet

“ Mrs. Hensley,  
We are all heartbroken! I am so sad that Tina is no longer with us here on Earth- but I am so happy that she is in heaven! She has struggled for so many years. She never wanted our conversations to be about her being sick. We always talked as if everything was normal and as if she was well. One of our last conversations was about a lime green purse she wanted of mine! She was my dear dear friend. I loved her so. I love YOU so! You were- and are- a great mother- not just to Tina and your own kids and grandkids- but to all that you've helped or prayed for. Now God will send people to help and strengthen you during this tough time!  
With love,  
Suzanne
