“ *It's been very hard to think of you being gone, now, having only just learned you were sick a little over a week ago, and not being able to see you before you went home to heaven. I know you wouldn't have left so soon, unless God really wanted you there,*

“ Oh my Dear Aunt Linda! It's so hard believing you have left this earth but I smile because I know where you have gone! You asked me to be happy for you and I truly am. We will be together again and as you said much sooner then I think as life goes by

“ It was so special to have a wonderful visit with you just two weeks ago. We share your opinion that you were happy with the bus ride destination, but you did not like the bus driver.
