“ *I have so many good memories of Lois the list goes on! She was the cool mom that always had a fun spirit and found exciting ways to live life! Fond memories of belly dancing, palm reading, Rod Stewart concert, Halloween (her favorite)! She was the miracle mom on the sewing machine, always helped me at the last minute! I loved her enchiladas and her many Thanksgiving dinners. Tom and Lois were the BEST! You will be missed but never forgotten, your good memories will last forever.*

“ *So being part of the Lancour family and our close relationship to the Hamilton's for over 50 years, all I can say is that Lois and Tom have always been special to our family. My first real job was with Tom and Lois! My key lime pie recipe was "Lois' recipe". Great memories!*

“ Lois is now in in Her Final & Forever Home and I know She has all kinds of Horses and Puppy Dogs of all kinds and colors running around Her. She Loved Her Family beyond measure and that also included “The Four Legged Ones”. It also included her Beautiful Flowers and Yard She had while living in Parrottsville on the Good Hope Road. The Big Log Home That Tom built for Lois was always warm and inviting. Thought I lost touch with Her after their move to Town, She will always have a Special Place in my Heart.

“ As a long time family friend from Brighton Michigan, Lois was my second mother growing up. We enjoyed living next door to Lois & Tom, and we all created a loving bonding relationship. Lois and Tom took me and my sister to our first major concert to see Rod Steward. I have so many stories and memories she will be missed by me and my entire Lancour Family. Love always Lois, see you on the other side.

“ *My husband and I were lucky to have made Lois's acquaintance at Janices Diner in Cosby. She would often come in with friends from church to have breakfast. Lois came to our table introduced herself and shared a joke with us many times. She was such a fun loving dear girl and she will be missed greatly. Our sympathies go to the family. Thank you for sharing your loved one with so many of us.
