“ A wonderful lady and friend. I worked in food service too, but as Manager at Grassy Fork in my earlier years I got to know and love Luis. Seeing her not long ago we talked about our retirement and her trips to the beach. She made it clear that was her favorite place and told me how the lord was taking care of her. And how much he does for us all every moment. So sorry for everyone's loss . Praying for you all! A Precious Friend !
