I still miss you dad, it's been a year now .. I'm grieving you for the second time of my life. I grieved you while you was here because I never got to be apart of your life. And now I'm grieving as you have left and gone away and I never got to say Goodbye. But just know I forgive you and forgive those who have kept you from having a relationship with me. You would have been so so proud. You have the two most loving grandchildren you could ever ask for. I just pray your with Jesus now. As I strive to make it there. I love you dad. Until we meet again.

-Love always your daughter Elisha 💕💕
