“ Lori was my therapist when my arm was broken. Twice she cooked full course meals and delivered them to my home. There was just 2 of us, but she prepared enough food to last us a week. More than a few times throughout the years she brought us baked goods and left them on our door step if we were not at home.

“ My hearts breaks for you all in the loss of precious Lori. I will treasure my memory of her singing the finale ‘Love In Any Language’ in our World War II show at CCHS surrounded by a collection of kindergarten children dressed in costumes from around the world. She also will be remembered by our family for the tender love she showed our beloved Aunt Irene during her recuperation from a broken hip.
