“ I’m so sorry for your loss of Lou. She was a beautiful person inside and out. She was always so sweet, kind and loads of fun. Our children attended school together and we were always together at school functions, etc. We traveled with the band when our girls were majorettes. We always had the most fun. I have so many wonderful memories of being friends with Lou. She will be greatly missed. I pray that God will give your family comfort and peace during this difficult time.

“ I still can't believe you're really gone Lou. I had hoped you would pull through again like you have so many times over the past few years. You were such a fighter, but I guess it was time for you to be truly healed and get some rest. I will never forget all of the good memories over the years or how good you were to me when I was growing up and didn't have much. You were always generous to a fault!

You were also the one to get family together and told me numerous times over the last few years how our family was getting smaller and we all needed to see each other more. My family just got a whole lot smaller cause you were a big part of it. I love you Lou and will miss you so much!
