“ My very first and best friend, She was the best at everything. Lucy was beautiful, caring, giving, talented , honest and true to her self and all others. I always thought that she knew everything and could do any and everything. Lucy got aggrivated at me -- When she was about 7 months pregnant, I set my kitchen on fire , and my reaction was to go to the porch and start screaming. Jimmy came over and put out the fire.

“ My very first friend in Tennessee. I will always love Lucy. I always thought she could do everything. She taught me many lessons about life sharing, giving and loving. . The greatest gift she gave me was to be the godmother of her first born child. I am so sad.
