Burnham, Mark G- Mark was born on March 20th, 1962. The first day of spring. Mark was tragically taken from his family and friends on September the 17th, 2023. It is easy to say Mark was taken before his time and his family and friends grieve his loss immensely. Mark is survived by his wife and best friend of 30 years, Soraya. Mark is survived by his son Alex and his unborn grandson, Colton and new daughter-in-law, Precious. Mark is survived by his Sister Debbie and his nephews Richard, Shawn and Justin, and a special addition with Robert and Mya. Mark is survived by his Uncle Lee and his wonderful family. Mark is survived by many more that knew him and loved him as a brother and friend. Mark will be lovingly remembered and never forgotten by all. Born in Florida, Mark enjoyed working at Disney at a young age and that remained with him always. He continued to work hard as a tow truck driver early until an injury propelled him into the construction industry as an engineer where he enjoyed a successful career of house design. Mark moved to Tennessee in 2023 where he planned to retire from this career and enjoy the mountain life and all of life's blessings. Please keep Mark's Family, and All Families of violent crimes, in your prayers.

“ *Mark was a lovely person. He loved his wife and family dear. He was also a great grandpa to my kids. My favorite memory is when soraya and mark came over for Christmas with the RV and we managed to get it in the tiny opening of my yard. We spent Christmas Day all together there. But there were so many great memories. You were taken way to soon mark, so many people love you and have you in there memories. I know you will watch over everyone especially soraya. You guys have accomplished so much together. Till we meet again someday. Keep heaven busy 😊*

“ *My little brother, My only brother. How you are such a pesky little brother when we were very young. Little did I know the man that you would grow up and be. I always knew you had my back and one phone call to you everything would be taken care of. You were the little brother but you took care of me like you were the big brother. You were a great loving thoughtful brother and I will miss you for the rest of my life. My heart is broken. I know you're surrounded by all our family in heaven*

“ Know that I Love and Miss you every single day Mark, and you will never be forgotten. I know now that you are with me forever and I love everything you taught me. You made me stronger and I hope and pray everyday that I will not let this dream we started end. I love you, my very best friend, and I will see you again
