“ I loved Mrs.G I never had her for a teacher but she really cared about her students even if they weren't in her class there was many times she saw me crying over something another student did and she would help me work through it. May she be a peace now with Jesus and the angels.

“ So sorry to read this news. Everyone who ever attended Bridgeport School knew the Holt girls from Bat Harbor. Each one special in her own way. But Mrs Galeucia taught at Bridgeport for years later and carried on her Bridgeport school love. Last time I saw her she was at Food City working part time, always smiling and enjoying life. Our family will certainly miss her. Our deepest condolences to all her sisters, Robert and her kids and grandkids. Bobby and Nancy Swanger
