Marty was a great guy. He and I talked several times about work. He helped me figure out some ideas I had about my own trucking jobs. He had a very friendly nature and was so easy to get along with. I am so sorry to hear this news. I know that Gail and Annette and all the rest of his Family will always miss him Terribly. It seems like so many great people are taken away from us way before their time. God Bless All of his Family..

“ *Annette- I have too many memories of growing up it's hard to pick only one. A couple favorites are Marty and John following us to the end of the holler when we rode motorcycles and then hurriedly going back home to tell on us when we kept going onto the highway! And the one that really stands out when I think of all of us is lil Jessica fussing at him for leaning on Kelly's car," Marty Wee, you get off that Teeota!" I think of that often of that and it always brings a smile and I prayed*
