“ I’m so sorry for the loss of Marvie even though I’ve never met her I feel I know her. She was so blessed with a sister (Velma Trent) that loved her & her whole family so much !! I met Velma & became friends with her about a year ago & she talks so much about all her family & the love she has for all of them, we have prayed & prayed for God to heal Marvie & he has....she’s now healed & with Jesus. Prayers for all the family especially for my sweet friend Velma.

“ *Marvie was our daughter's caregiver back in the mid to late 70s. She was like family to us and she cared for our daughter as if she were her own. I have many memories of the conversations we shared and the time our daughter was in her care. She was very much appreciated and we considered her as a dear friend. Praying for her family during this time. Roy and Dianne Cooley*
