“ *My Dearest David & Holli I love you both so much & you know how very much I loved your Mother & my Aunt Geraldine. She was such a very special person & loved her family so much. She was always so kind & thoughtful to everyone. She always had that beautiful bright Coggins smile. I spent so much time with your family & was so close to both of you & Gearldine. Aunt Geraldine has been so supportive of my Mother & our family since we lost our precious Carlie. I hope that they have had a wonderful reunion in heaven & all the other family members that we have all lost. My heart is so broken & will have a hole in it with the lost of such a person in my life that was both beautiful inside & outside. I know that you both feel the same way. Always know that both of you were blessed with a wonderful Mother. I also know that her remaining sisters & brothers have a great loss in their lives. Also her nieces, nephews & cousins all feel a big loss because she always loved them so much & showed them. Remember I love you both & I am here if you need me. I wish that I could be there in person to hug & hold you both. Hopefully thru faith, family & friends & lots of prayers you both & the rest of her loved ones will get through losing our precious Geraldine. God Bless you both & remember I loved her & I love you always.

Scotty, Thank you so much for writing and for so many other things you and Aunt Shirley did to look out for me and help me growing up. You guys were my sanctuary, and not long ago, Mom and I talked about just how important you all had been to both of us. Of course, we've heard the story many times that Mom actually considered you her first son, then came me. :) Hug Aunt Shirley extra tight for me. Love David

Tim and Debbie, I hope you know just how much my Mom loved and cared for both of you. To her, you were so much more than neighbors - true friends. For me, well, I can never thank you enough for all that you did for both me and Mom. When I wasn't at the Parrottsville house, I was able to worry less about my Mom because I knew you both were watching over her. I'll be forever grateful. Sincerely, David

DH

Jackie Sue, my dear, sweet cousin. I don't know what I would have done without you these past few weeks, but I do know that because of the way my Mom loved and cared about you, she knew how very special you are and always have been. And, although no one, especially me or Mom, anticipated me becoming as sick as I have, the fact that you became so involved when Mom passed, makes me think Mom knew who just the right angel was to send to look after me. I love you dearly, David
