I hadn't seen her in several years, but thanks to the technology of social media we have been in touch almost every day, sharing posts and our daily Wordle challenges over the past year or so. “ Mary was a great cousin to myself. When a teenager she would share her Beatles records with me. Mary was also a good source of information about what teens care about. I will miss her. Was planning to visit, alas life is short. We know not what tomorrow brings. Bill is a fortunate man. He had Mary as a loving caring spouse.
