“ *Melba was the first child of the 2nd part of our family. She was my sister and one of the kindest souls in our family. Always a nice thing to say no mater how everyone else stood. I left home for the Navy when she was 5 and would visit from time to time to catch up on our lives. There is such sorrow in my heart and the world will be a little less with her gone. Our lives were very different in many ways but we were always bonded by blood. I'll miss you Melba or little sister...*

“ I'd like to start this off by Sending my sincere condolences to the family of Melba Ann Sleeper! My favorite memory of Melba and I starts like this ! Melba was my sister in law and she worked at the cab company our family owned ! She was a dispatcher at night. Melba would come to work and she always had that beautiful smile and that bubbly laugh and snort she used to do ! Remember Melba always happy and we laughed for hours and watched TV with me ! After Melba no longer was around I lost contact with her and finally after a while I finally found her I talked to her a couple times on the phone and that was it ! I heard she passed away and it crushed me badly ! I love you Melba !! Rest Easy Angel !!
