“ So very sorry for your loss. I will never forgot her genuine care and concern for my family back in 2011 when her and Ricky came all the way to Johnson City Medical Center to show support for my son before he passed. I hope she knew how much that meant to my family. She was such a kind and caring person. Wish the world had more people like her.

“ *I am so sorry for this unfathomable loss of Linda. She will be missed by so many. Even so, it is a lonely road for those that feel her loss most keenly. Those that are accustomed to seeing her constant presence. Daily prayers that you find comfort and purpose, for it is there, waiting, under the heaviness of your grief. That comfort and purpose will be there when you are ready for it.*

“ Linda was one of the sweetest people I have ever met. When my nephew Todd passed away back in November she would call and check on me very often. Her compassion and caring was a blessing to me. She was the best mom to my nephews Matt and Trevor also to my niece Ericka. She loved Ricky unconditionally. I am going to miss our talks that we would have. She called me family and I loved her for that. I truly loved her and also called her family. My heart goes out to my nephews, niece and Ricky. I sure am going to miss you Linda I hope you are Dancing In The Sky 💜
