“ Mike helped me haul a bunch of concrete block once to block under my trailer.He always tried to help what he could.Growing up I remember we took a deep sea fishing trip in Hilton head with Jeri Slagle my brother in law,I got sick as a dog but we got big fishes.on our way home coming through Georgia we stopped at a peach orchard and some guy made us a real deal on 20 bushels of peaches if we could get them all in the little 1973 Datsun B110 I was driving ,Mike was game for it as he always liked a challenge so we loaded em up mike was sitting bushels of peaches I don't remember the year but he wasn't no bigger than a spit an neither was I.but we made it home and our mom canned peaches for a month.but told us never do that again.I guess my family has eaten a peach every way it could be prepared.
