“ My thoughts and prayers are with you Brook. Mike never was just a childhood friends Dad, he was more like an Uncle to be honest. I do not have many childhood memories without you and your dad in it. He was the kindest most soft spoken, kind-hearted human I've ever met. I never heard one harsh or unkind word from him my entire life. I could write a book on just how genuinely Nice of a human Mike was. But I'll leave you with this wonderful Memory. 2 elementary school age girls "styling our hair" vaseline on a Saturday night before church! Need I say more. I remember your dad just laughed and laughed. I think I was grounded till 8th grade. But the next weekend he was renting us movies at Movie Time Video and picking up pizza and hiding anything that resembled Vaseline and still laughing a week later
