“ I loved Mike, had LOTS of FUN times with him. He was a wonderful educator, wise, kind to the children; I learned a lot from him, even how to fly fish. Mike and his fine family have been a powerfully GOOD influence on the community for YEARS. Rest in peace buddy, you are loved and missed.

“ Mike hD a way of getting your respect, by showing that he cared. In an era of education, where the board of education was a double entendre, he had a definitive presence. I wasn't one to get into a lot of trouble in school, but when I did, he was always fair. Mike was a big influence on my life and will be sorely missed.

“ *I am so sorry to hear about Michael. We both went to ETSU at the same time and played intramural football, basketball, and flag football for our Cocke County team. We won first place in all 3 sports. Michael was a good, wonderful person and we enjoyed playing sports and talking with each other. He went on to be a great educator and was a great, positive influence to many young students. It had been a while since I got to talk to him but the world is better off having someone like Michael in it. God bless his family and thank you and God for giving the world a great man like him. God bless you all.*
