“ I just heard about Micky passing. I just recently reconnected with her. I've known her for over 50yrs. She was such an inspiration to me. She would send me poems about the importance of family and friends. She always had a way to cheer me up. I just can't believe she's gone. I'll miss her terribly. I find comfort in knowing that I'll see her again someday. God took one of the best !! R.I.P Micky
