“ *Minnie was such an amazing friend and teacher over the years. She and Stanley would come visit the house and bring their banjo and guitar and they’d sing for us. Minnie was always involved in the church and taught Sunday school and worked in vacation bible school leading by example. She was such a positive role model for me and many of us in the community and my family. I remember all the farming we did together and also going to South Carolina and picking peaches. Such good times! She was a wonderful person and I know she will be missed.* 💕💕
