“ I grew up with Mitchell in Roda, Va. He and I played football at Appalachia High School. One memory, particularly thrat I have is listening to Randy's record mart on the car radio parked at the little school house at Roda,He was a nice young fellow and so glad to know that he was a practicing christian, and that he had a loving family.

“ Mitchell was Marty, Corky and Nuggets dad. We played basketball at Del Rio. Corky was at practices helping and Mitchell was instrumental in helping to update our score board and always helping with things. He probably didn't think a little girl was paying attention but I was. I always thought how lucky Marty, Nugget and Corky was to have a dad that was so involved. I know Mitchell loved his kids and everybody else's too.

*I was so sad to get the call from Barb last week after she received my Christmas card and realized I had not been advised of my uncle Michell's passing. I always was in awe of my uncle - the first of our family to receive a college degree. My last visit with Barb and Mitchell was pre covid. He shared so much about my family history that I did not know. It was a wonderful few hours that will live in my heart forever. I wish I could have been there for his service. He lives on in the hearts of many and will always be in mine along with my dad, my aunt Edith, my uncle Paul, my grandparents and my many cousins. May the Lord be with you Aunt Barb.
