“ I met Myrtle while I was her precious mommas home health nurse in Newport. I instantly fell in love with this precious woman and the entire family. We lost contact several yrs ago. Myrtle was a beautiful person inside and out. I am honored to call her my friend. Our loss is Heavens gain. Rejoice for she is with the Lord. My love and prayers go out to the family.

“ David and I send our condolences to the family and wish we had known sooner we would have attended. We have thought and still talk often with fond memories of both George and Myrtle. I've called the numbers I had and left messages but never heard back assuming the numbers had changed in the 8 years since we lost contact.

Every time I eat or see chicken cordon bleu I remember us beating that chicken flat and laughing while we prepared it for dinner. That was our first attempt with that recipe. We loved them both and considered it a great privilege to have known this remarkable couple. Until we meet again.

“ Myrtle and George lived across the street from us for many years! As our wonderful neighbors and friends! I had the pleasure of taking her to doctor appointments and errands! We had several talks about the Bible. So sorry for your loss.

“ Aunt Myrtle, you are last to cross over from the children and spouses of George and Mary Gunter. You were a pleasure to see all the time you and Uncle George. You were both such wonderful, caring and uplifting spirits. You will be missed. Glad you are home with the rest of the family and Uncle George. I am happy to know you are in the arms of our Lord and Savior Jesus Christ. Rest in Paradise!
