“ Thoughts of Jeanie and the family have crossed my mind often over the past few weeks. I am deeply shocked and saddened with her passing. Jeanie was a wonderful person and an excellent teacher. I had the good fortune of working with her at Cosby School for several years. She always brought upbeat humor to staff meetings and truly cared about her students. Since I have retired I have enjoyed her Facebook posts that kept me in touch with the Cosby staff. I really enjoyed her posts about the escapades of her beautiful little family. I miss those Facebook posts. I am sincerely sorry I cannot participate in her memorial service. Unfortunately my husband's brother passed away February 9, and his burial will also be at 11:00 on February 12. My thoughts and prayers will remain with the Seymour and Weeks families. May God send healing, strength and courage during this time of grief.

“ *It saddened me to see that Mrs Seymour passed away. I was in the very first class she taught at Cosby. It was 6th grade, and if I remember right she was straight out of college, and during that time I believe she got married and her name changed to Seymour. She was a wonderful teacher and full of energy. I pray that the family finds comfort though all of this. This picture is from the 1998 year book.*

“ *My heart aches when I see this and other memories. I miss her post and when I worked at Cosby school for 32 years before I retired. I remember her as a student coming through the lunch line and also the breakfast and lunch line with her students. She was one of a kind and she was loved by so many.
