“ I worked with Neal for years when it was called Quaker Oats. He was a very special friend to me. He felt like a brother that I never had if I needed to talk about something he would listen that was the kind of person he was. Life will never be the same without Neal Hicks in it. May God be with Debbie these coming days for they will be hard for she has lost the love of her life and her best friend. Go rest in peace Neal. I will miss you always.
