“ The first Time I ever saw the beach Aunt Nona and Uncle Huston was there . We got to our Hotel and we didn't even put our luggage up because they were so excited for me to see it . We went straight to the beach and rolled our pants up and put our feet in the sand and I can hear her telling me Connie I can't wait for you to see it it's so beautiful and I saw the beach and looked over to her we were both smiling and I said aunt Nona it's breathtaking. I have always loved the beach and she loved it too. Fly high my beautiful Aunt Nona.
