“ My mother Helen Adams and Norbert were the best of friends for eight years in Oak Ridge, Tennessee. My mom taught him bridge and they would drive all over the Southeast attending bridge tournaments. She won a major tournament in Gatlinburg one year and again in Florida another year. Norbert was a very kind and gracious man to my whole family and even attended our brother James's funeral in 2003. I lost track of Norbert since 2003 and was saddened to learn of his passing! He was definitely one of a kind!

“ Just found out last night about Norb passing away. All my love and prayers to the family. I had the great honor and privilege of serving Norb at Dewitt place as one of his CNA's. I still remember to this day the time he spun me around in the hallway teasing me and making me dance. I was a nervous wreck thinking he would fall but he just smiled. He thought it was funny. We used to have to get all the bread crumbs out of his pocket that he would take to feed the birds outside. He was definitely one of my favorite residents I got to take care of every day. We loved him very much at Dewitt Place. It was a wonderful honor to befriend him.

“ With deepest sympathy to all the family. Norbert was very kind to my mother & me. We first got to know him when he played Bridge with the group at the Community Center. He would pick up Mother every week and help her to go in to play Bridge. He also came and cut a huge limb that had fallen on our driveway during the Blizzard (of '93?).
