“ I knew Patsy for a long time and we were very close for years but I havent seen her in at least a decade. Patsy was with me @ the time of first learning about my Fathers passing and he lived states away....Patsy helped carry me to my car after receiving the news of the loss of my dad. She helped me through my grieving process. Thank you for that Patsy. Thank you for many good memories. I'm saddened you had to go to your new home at such a young age. The only thing I can think of is @ least you are not suffering from pain any more. My heart is with Patsy's son: Chris and her daughter: Rhonda. Patsy was a great mother and mom. 💔💜🖤💙 I am especially praying for Christopher. I know you and your mom were extremely close. 🌸 RIP Patsy. Prayers for peace and love for the family during this trying time. Much love 🥺😞 Diane and Randy Parker

That's the only way I can look at it. You were far too young. You will be missed by many. Peace and love wished for the family for today and the upcoming days. RIP Patsy Lefew
