“ *My condolences to all her family & friends as well as joy for Ms Peggy as her faith in Jesus Christ promises she's completely whole at home with our Lord and those who have gone before her ❤️*

She was a supporter of Feed My Sheep as well as a humble servant during her volunteering at the soup kitchen. I loved her strong, straight forward, opinionated personality which also went to total opposite so many times as she loved so gently and kind. I witnessed her washing dirty faces and feet before putting new socks, shoes, and clothing on small children in our dining room after she had went shopping to buy them what they needed. She held babies during the devotion and serving times as well as sat down with folks to show love and acceptance to all who some consider unlovable.

FMSM will always feel honored to have her as part of our Spiritual Family and pray the love she gave everyone will always be there to help you in your time of temporary seperation. Hope, faith, and love,,, but the greatest is love. Ms Peggy has so many rewards stored in heaven and on earth. May her legacy always be remembered and honored by this community. Carol, Dayton and Feed My Sheep family.

“ Peggy McConnell was a great friend and always so helpful in her church and community. I am remembering our last conversation about her children. She loved her family, friends and community. I can still see her pushing the buggy of her first born on College Street sidewalk. We love the family and think of them often! My sincere thoughts and prayers are with you all!
