I was so sad when I read that you had passed. Sad and shocked!!! We were friends on Facebook.. We met at the Junction.. I think she knew every line dance there was and she was great at all of them. Our connection was squirrels and Lil Bit. I will miss her!!! Love, Mike and Cathy

“ Penny was a bright light, you could always tell who she was if you heard her laugh from a different room. Her kindness and warmth touched everyone she met. I’ll always treasure the moments we shared—pranking each other, learning from her, talking about pigs, and enjoying her incredible spirit. Penny was truly one of a kind. 💕

My heart breaks for Penny's family(especially Jacob the love of her life and of course Lilly). I knew Penny from working at Lily's several years ago and I quickly grew to love her gentle and kind heart. I know she is with the angels now but I will miss her as I know everyone that knew her will also. I will be praying for God's peace and understanding for her family and loved ones.
