“ *Ransom Hall was my uncle, my mother Ellen Hall Bailey's brother. I am so incredibly grateful to have him and the rest of his family as my kin! From the time I was 6 months old my Mother took me and my siblings down to the Hall Reunion in August (and them before I was born). Uncle Ransom would lead most of the singing and his voice will always be remembered by us all; to me and many others he was the matriarch of the Hall Reunion. Uncle Ransom was a jolly, silly man and so much fun! But most of all he was a true man of God. He didn't just preach the Gospel of Jesus Christ, he lived it... in church, in his home, as he worked in his fields, as he helped those in need; he daily practiced what he preached and talking about the Lord was as natural for him as breathing. When I was a little girl I told him when I grow up I wanted him to be the preacher performing the ceremony, and he said he would, and he sure did... He came up to Illinois and fulfilled his promise. I have so many wonderful memories of spending time with him and his family growing up. I loved him very much, I'll miss him greatly, and it is a true honor to be his niece ❤️*

Even though there will now be such a void with his presence being absent from us all, I know he has finished the fight and won the race!! He is now with Jesus, and what a glorious Sunday morning on March 6th, 2022! As he crossed through Heaven's gates!! What a Reunion for him to gather with the Lord and all of his loved ones that have gone on before him!!

“ Our dear Uncle Ransom. We can only imagine the church service you attended last Sunday when you went to be with the Lord. We can hear you singing out loud with all your might like you did so many times up at Bell Hill. We will miss getting to see you and visit with you in this life. You are a true example of a man of God and impacted so many lives with your ministry. Thanks for being so good to our mother and family through the years. Like all of us, she is sad that you have passed but happy that you are free from all suffering and pain. We love you so much.

“ He's my brother. Thanks for the beautiful childhood we had together. I love him to death. He was a protective brother. Thank the good Lord for him. I miss him so much. I know one day I'll be with him. He will sure be missed. A lot of memories. He worked awful hard. One of our favorite times was going possum hunting with the neighbor's dog. We climbed a lot of those hills together. I remember the cat we accidently killed while fighting over it. We hid it under the floor but dad smelled it and found out about it. It's a wonder we didn't get ate up by copperheads or fall in some old sink hole but the Lord watched out for us. We never got lost. We were just part of the mountains I suppose. One time Ransom held onto the tail of a steer while I rode it. It tried to buck me off but I stayed on. We got sprayed by a skunk at night one time while we were walking home from church. We loved to sing and play the guitar together. I love you Ransom!

On one occasion he was having a little difficulty with his voice and he asked me to continue leading the group should he need to stop singing momentarily. A man whom i thought of as a wiseman, hand picked by God to be a servant for him here on earth for a while and to be a messenger and bring us the word of God. “Cocke County has lost a great treasure with the death of Ransom. I will remember his leadership in bringing our Music of the Mountains programs to fruition. Later he brought the Hall Family Singers to the Hartford Welcome Center and greeted hundreds of tourists arriving in Tennessee with his infectious smile and glorious songs. To sit across from him at the Rescue Squad Banquet was always a delight. Ransom, you truly brightened your corner. Our lives were truly enriched by our association with you. “Bro. Ransom Hall was a man of many talents; one being a storyteller. I had the privilege of getting to know this beautiful man when Sheila asked me to accompany her on visit home. We had a wonderful day of riding the hills of Tennessee and listening to him tell his tales of long ago and people he knew. Some he had much respect for, some I'm not sure if he was making it up or just adding "color" to the story. Sunday we made our way to the Church. I don't remember the name, but I could feel the love of God pour down into it as I sat there and listened to him speak the Word. He made a huge impression on this ole country girl, one I will never forget. Thank you, Lord, for letting Bro. Ransom Hall be an angel in my path of life.
